Dr. C Krishna Mohan
Professor

03 August, 2026

TO WHOM IT MAY CONCERN

This is to certify that **Mr. Ch. Koushik, Roll Number AP24110010250**, a 2nd-year B.Tech student in the Department of Computer Science and Engineering at **SRM University-AP**, has successfully completed his internship at the **Indian Institute of Technology (IIT) Hyderabad** from **25th May 2026 to 30th July 2026** under my supervision.

During his internship, he worked on research involving **deep learning and multi-task learning, with a focus on developing and evaluating attention-based models for brain-related applications**. As part of the project, he was involved in studying and implementing approaches for multi-task learning, dynamic loss weighting, and cross-attention-based models, with a focus on conducting experiments and evaluating the proposed approach on synthetic benchmarks.

Throughout the internship, he demonstrated sincerity, dedication, and enthusiasm for learning, research, implementation, and experimental analysis. He approached his work with **responsibility and perseverance**, consistently striving to strengthen his technical skills and understanding, while demonstrating **problem-solving ability, and commitment towards the assigned work**.

I appreciate his contributions during the internship and wish him continued success in his academic pursuits and future professional endeavors.

Best Regards,

(C. Krishna Mohan)
